

Video Taking

Helpful Video Hints

If you have any questions or concerns regarding your treatment or the app, please contact us via dmonitoring@angliaorthodontics.co.uk

Put the DM app on the front page of your phone + enable notifications. This allows you to see the notifications as soon as they arrive.

Place the phone into the ScanBox and lock it.

Retractors must be smiling when placed into your mouth, not frowning.

Clip the cheek retractors onto the ScanBox and you are ready to scan. Follow the instructions.

Use your aligner chewies before taking videos + helps seat the aligners.
